Judy,  
Below is an unsigned version of the letter. I am pretty sure this is the draft that went out, but cannot be certain.

I am having trouble finding EPA's written response to the Bristol Bay petition submitted by six tribes. The date the letter was mailed by the group was May 21, 2010. Can you both check and see if you can find the response from Dennis? I have a copy of the petition, but not our response.

The last names and tribe are:  
Hobson - Nondalton  
Andrew - New Stuyahok

Chukwak - Levelok  
Akelkok - Ekwok  
Tilden - Curyung  
Nelson - Koliganek

I found correspondence for Tilden and Akelkok that was just a few months old, but there should be something out there that is dated in June or July??

Thanks for any help you can provide on this today.

Judy
